

SHER TOLAN, MBA VICE PRESIDENT

Sher started her career in commercial real estate at AmSouth Bank (now Regions) in Orlando in 1996 as a commercial real estate loan analyst/underwriter, which helped her gain a solid background in the financial aspects of the field. She has successfully transferred this knowledge into helping her clients make sound decisions in acquiring, leasing, and disposing of industrial buildings and land. She combines her financial skills with her knowledge of the market place and the market players to seek out the best opportunities for her clients. In her 14 years of commercial real estate career, she has made her focus to be her clients' success, resulting in over \$100 million in transaction volume.

Prior to Southern Commercial, she was a director at Cushman & Wakefield and a Vice President at Carter & Associates, where she specialized in industrial and land brokerage services.
